Professor/artist/researcher at Federal University of San Francisco Valley - UNIVASF focused in disciplines and researchers of theories and artistic/educative practices, Visual Arts Teachers Education, Arts Education and Drawing.

I HAVE BEEN ACTIVE IN INSEA OR RELATED ORGANIZATIONS IN THE FOLLOWING WAYS:

Have emphasized in the last years the dialogue with others InSEA members in-between bridges of Arts Education from San Francisco valley (Bahia and Pernambuco states) through Brazil, Latin America, Europe, United States and Australia. My understanding is that is very common to finda in many countries around the world the same issues are not only aesthetically but political and economical when we look to the Arts Education. Observing and dialoguing about those issues are part of my understanding of InSEA proposes, thinking that we can solve problems and fight together.

SHOULD I BE ELECTED I HOPE TO:

Make more connections with other InSEA members in Latin America and around the world, reviewing our difficulties and fighting for policies that put Arts in the core of Education.
