ART TEACHERS' ART-WORKS EXHIBITION: "ATAE"

INTERNATIONAL CALL FOR EXHIBITION TO ART EDUCATORS

Date: 23-29 March 2020

Venue: Kampala, Uganda: Africa

Deadline 31 January 2020

Host: Africa Arts Association: AfrAA

As art-teachers/educators, we are real active in various mediums of art.

We create for re-inventing and upgrading ourselves.

We do this, as role models to our students.

Are we art-teachers, whose artworks are presented, wanted, even sold?

This invitation aims to encourage art educators to get adequately paid for their personal artworks.

We are looking for active ones, to join us in this project to exhibit their works.

A catchy show, or a platform where we can meet as exhibitors to share and learn from each other.

An event, where we can proudly sell our works.

FOR A BRIGHTER AND HAPPIER ART EDUCATORS'S FUTURE.
